

*International Symposium on*  
**Molecular Science of  
Ultrafast Electronic Dynamics**  
**May 18-19, 2007**

**Invited Speakers** (in alphabetic order)

- André Bandrauk  
(Université de Sherbrooke, Québec)
- S.L. Chin  
(Université Laval, Québec)
- Wolfgang Domcke  
(Technische Universität München,  
Germany)
- Asuka Fujii  
(Tohoku University, Japan)
- Yuichi Fujimura  
(Tohoku University, Japan)
- Gustav Gerber  
(University of Würzburg, Germany)
- Robert J. Gordon  
(University of Illinois at Chicago, USA)
- E.K.U. Gross  
(Freie Universität Berlin, Germany)
- Michitoshi Hayashi  
(National Taiwan University, Taiwan)
- Ingolf V. Hertel  
(Max-Born Institute, Germany)
- Tsuyoshi Kato  
(University of Tokyo, Japan)
- Yosuke Kayanuma  
(Osaka Prefecture University, Japan)
- S.H. Lin  
(Institute of Atomic &  
Molecular Science, Taiwan)
- Deepak Mathur  
(TATA Institute of  
Fundamental Research, India)
- Katsumi Midorikawa  
(RIKEN, Japan)
- Katsuyuki Nobusada  
(Institute for Molecular Science, Japan)
- Kenji Ohmori  
(Institute for Molecular Science, Japan)
- Tomoya Okino  
(The University of Tokyo, Japan)
- George Prümper  
(Tohoku University, Japan)
- Hiroshi Sekiya  
(Kyushu University, Japan)
- Toshinori Suzuki  
(RIKEN, Japan)
- Tetsuya Taketsugu  
(Hokkaido University, Japan)
- K. Birgitta Whaley  
(University of California, Berkeley, USA)
- Yoshihiro Yamakita  
(Tohoku University, Japan)
- Tomoyuki Yatsunami  
(Osaka City University, Japan)

**Sakura Hall  
IMRAM, Katahira Campus  
Tohoku University  
Sendai, Japan**

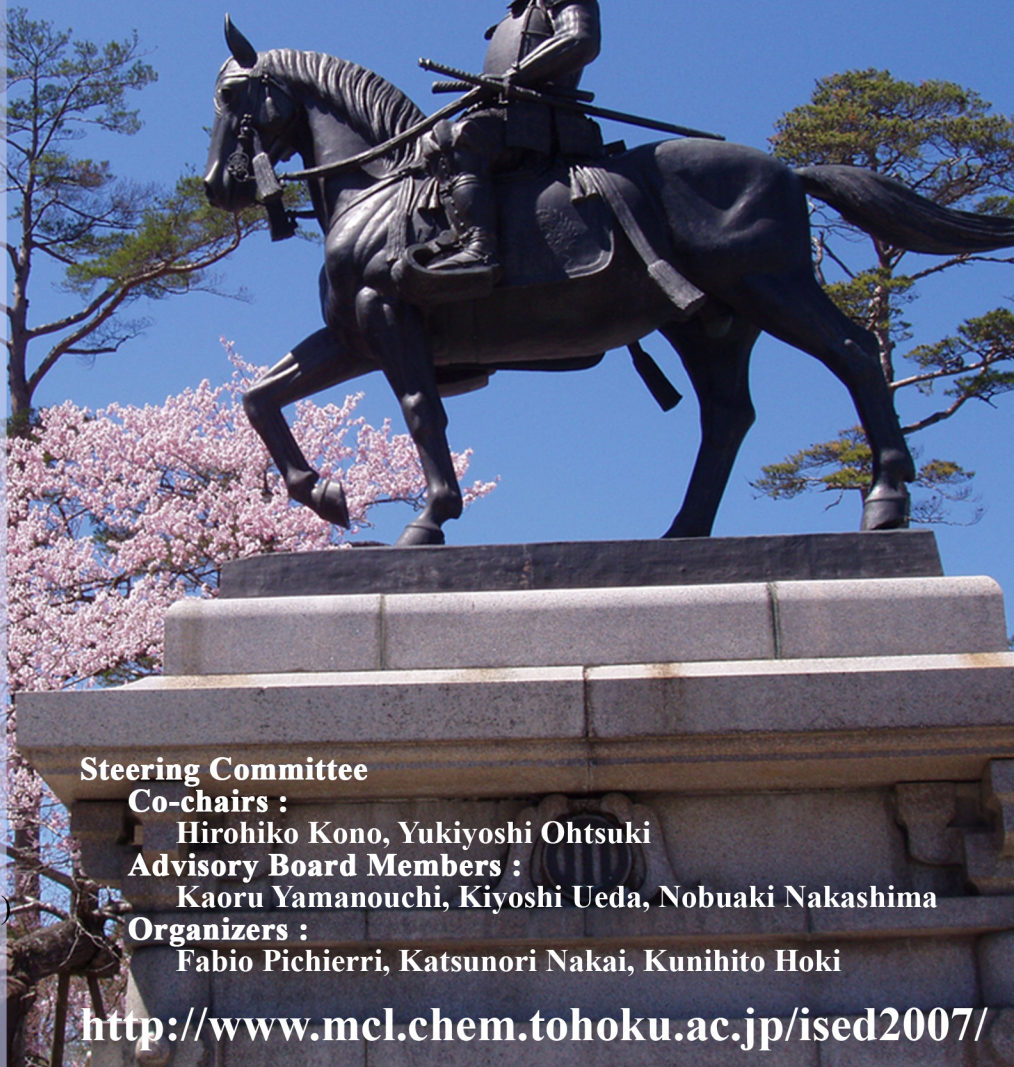

**Sponsored by**

Priority Area Program on Molecular Theory of Real Systems  
(Ministry of Education, Culture, Sports, Science and Technology)

**Supported by**

JSPS / Core-to-Core Program on  
Ultrafast Intense Laser Science (COAST)  
Morino Foundation for Molecular Science  
Japan Intense Light Field Science Society (JILS)

**Steering Committee**

**Co-chairs :**

Hirohiko Kono, Yukiyo Ohtsuki

**Advisory Board Members :**

Kaoru Yamanouchi, Kiyoshi Ueda, Nobuaki Nakashima

**Organizers :**

Fabio Pichierri, Katsunori Nakai, Kunihiro Hoki
