

Save the Date: JUNE 7-11, 2021

MIRAI 2.0 Digital Research and Innovation Week

International Collaboration in a Digital Era - Fostering Innovative Minds for the Future

Hosted by:  UNIVERSITY OF GOTHENBURG

Research and Innovation week, June 7-11, 2021

This digital event, hosted by the University of Gothenburg, is open to all member universities of MIRAI 2.0.

Connect with researchers within your field and join scientific sessions within Ageing, Material Science, Sustainability, AI, Innovation and Entrepreneurship.

Join MIRAI 2.0 Digital Research and Innovation week to:

- Expand your network
- Participate in joint activities/workshops
- Access funding opportunities
- Present your research
- Connect with the non-academic sector

Save the date and visit www.mirai.nu for more information. Full program and registration will be available in April.

About MIRAI 2.0

MIRAI 2.0 is a collaboration between 19 Swedish and Japanese universities, aiming to promote research collaboration and support early career researchers within:

- Ageing
- Material Science
- Sustainability
- Artificial Intelligence
- Innovation and Entrepreneurship

Activities:

- Scientific events in Sweden and Japan
- Short courses for Phd's
- Networking possibilities
- Seed funding for research collaboration
- Travel grants
- Opportunities for Academia-Industry collaboration
