

MIRAI 2.0 Research and Innovation Week 2022

Ageing TEG – Call for Presenters

We are pleased to call for presenters for the Ageing Parallel Session (November 16-17, 2022) during the MIRAI 2.0 Research and Innovation Week 2022 (Nov 15-18, 2022). Any researcher of the MIRAI member institutions is welcome to submit applications.

- Event: MIRAI 2.0 Research and Innovation Week 2022
- Theme of the Event: “Sharing ONE future: Integrative Knowledge and Sustainable Transformation towards a better world”
- Venue: Kyushu University, Japan (On-site)
- Date: November 15-18, 2022 (Parallel Sessions of the Ageing TEG – Nov 16-17, 2022)
- Topic of Presentations
 1. Biological aspects of ageing
 2. Psychosocial aspects of ageing
 3. Technological aspects of ageing
 4. Other aspects of ageing
- Presentation Format
 - There will be two types of presentations (in English)
 - 1) 10 to 15-min paper presentation on the topic of your choice
 - 2) 5 to 10 min flask talk on the topic of your choice (Specifically for young researchers)
 - If you prefer the poster presentation format, please consider applying for poster sessions that are prepared by the R & I Week Organizing Committee (which will take place outside the Ageing Parallel Sessions)
- How to apply
 - Please complete the application form by 5pm JST on Monday, August 22, 2022.
<https://forms.office.com/r/yxQjVQkzg4>
 - The abstracts will be evaluated by the members of the Ageing TEG, and you will be notified of the result by September 15, 2022.
- For questions, please contact the MIRAI 2.0 Ageing organizers at Nagoya University at mirai_nu_ageing@ac21.org.
