We are pleased to call for **speakers in the AI TEG's Parallel Scientific Session** (November 16-17, 2022) during the MIRAI 2.0 Research and Innovation Week 2022.

Any researcher of the MIRAI member institutions is welcome to raise your hand!!

Theme of the Event:

"Sharing ONE future: Integrative Knowledge and Sustainable Transformation towards a better world"

Theme of AI's Parallel Scientific Session:

Exciting Trends in Applied AI

Venue: Kyushu University, Japan (On-site)

Date: November 15-18, 2022 (Parallel Sessions – Nov 16-17, 2022)

Topic of Presentations:

1. **Theoretical aspects and foundation of AI**
2. **Political and Legal/Moral aspects of AI**
3. **Biomedicine and Health**
4. **Industry 5.0 and Society 5.0**

*Please note that no.1 & 2 will be held on 16th, and no. 3 & 4 will be on 17th.

Presentation Format:

around 30-min presentation on the topic of your choice

How to apply

- Please submit the application form **by Wednesday, September 14, 2022.**
- The final speakers will be decided by the members of the AI TEG, and you will be notified of the result accordingly.
- Please note that the travel/accommodation fees are NOT provided from AI TEG even though you are selected a presentation speaker. **You should cover them by yourselves, or ask to the MIRAI project manager in your institution whether your home institution will be able to provide any financial support or not before the application.**
