

MIRAI 2.0 Research and Innovation Week 2022

IEAG – Call for Research Presentations

Innovation and Entrepreneurship Advisory Group (IEAG) is pleased to announce a call for research presentations during the MIRAI Research and Innovation Week 2022 at Kyushu University (November 16-17, 2022).

Researchers of the MIRAI member institutions are welcome to apply!

Venue: Kyushu University, Japan (On-site)

Date: November 15-18, 2022 (Please note that the presentation will be held on the 16th or 17th)

We welcome researchers to present projects or papers that relate to the following topics:

1. Entrepreneurship actors, activities, and processes
 - In new ventures
 - In established firms
2. Entrepreneurship education

How to apply

- Please submit the application form **by Wednesday, September 14, 2022**.
- The final speakers will be decided by the members of the IEAG, and you will be notified of the result accordingly.
- Please note that the travel/accommodation fees are NOT covered by MIRAI 2.0. These should be covered by your home institution (please ask the MIRAI project manager at your institution for more information about the possibility of financial support before you apply).
