

Dr. **Gaoliang Dai** is currently a research scientist and head of the working group “3D nanometrology” at the Physikalisch-Technische Bundesanstalt (PTB) – the national metrology institute of Germany. Gaoliang gained a BSc and a PhD in optical engineering from the Tsinghua University, P. R. China, in the year of 1994 and 1998, respectively. He was a R&D engineer in the Physik Instrument (PI) GmbH & Co till the year 2001 before he joined the PTB. His research interests include the dimensional nanometrology, surface metrology, interferometry, nano positioning, AFM and TEM techniques.
