

ISMTII 2023

15th International Symposium on Measurement Technology and Intelligent Instruments

Sept. 17(Sun.)-Sept. 20(Wed.), 2023, COEX, Seoul, Korea

Best Paper Award

Presented to

Chenguang Yin¹, Xin Xiong², Ryo Sato¹, Hiraku Matsukuma¹, Wei Gao¹

(1 Tohoku University, 2 Zhejiang University)

for

**Stitching interferometry method for the pitch evaluation of a large-scale variable-line-spacing
diffraction grating by using a Fizeau interferometer**

September 19, 2023

Chair of ISMTII 2023

Jeong Seok Oh

Dr. Jeong Seok Oh

Korea Institute of Machinery & Materials (South Korea)
