

Professor Iwamura Koji.

Education

Master of Engineering, Osaka Prefecture University (2000)

Doctor of Engineering, Osaka Prefecture University (2006)

Work Experience

April 2000 Assistant professor, Tokyo Metropolitan College of Aeronautical Engineering

April 2003 Assistant professor, Osaka Prefecture University

April 2012 Associate Professor, Osaka Prefecture University

April 2017 Professor, Osaka Prefecture University

April 2022 Professor, Osaka Metropolitan University

Awards received

Manufacturing Systems Division New Technology Development Award, Japan Society of Mechanical Engineers (2006)

Manufacturing Systems Division Contribution Award, Japan Society of Mechanical Engineers (2016)

Research interests

The optimization of production planning using multi-agent, machine learning, and mathematical programming for manufacturing systems and plant factory.
